PROFESSIONAL EXPERIENCE

Regis Kraeski Digital Arts

Audiovisual Production / Post-Production / Creative Design - Self-employed

- Produced audiovisual, graphic design, photography, and digital content projects for brands, events, and social media.
- Developed creative concepts, visual directions, branding materials, and campaign assets for digital platforms.
- Planned and executed social media content, including video pieces, reels, static visuals, and promotional materials.
- Managed full creative workflows from briefing and concept to shooting, editing, post-production, and final delivery.
- Used AI tools to accelerate concept development, references, creative variations, and production organization.

Estudio Nortico

Videomaker / Video Editor

- Captured and edited video content for digital and commercial projects.
- Supported post-production workflows including color correction, motion elements, and final exports.

Agencia Criativa 9LA

Photographer / Videomaker / Creative Content Producer

- Produced photography and video content for campaigns, institutional communication, and social media.
- Collaborated on creative concepts and visual execution for agency clients.

Agencia Clickset

Creative Production / Design Support

- Produced visual assets and supported digital campaign execution.

Agencia Karma Way

Marketing Analyst / Designer / Audiovisual Producer

- Worked on strategic planning, marketing, design, and audiovisual content for campaigns and digital communication.
